SINGLE ITEM VIEW

UI FLOWCHART

key:
Blue → new page
Green → user action

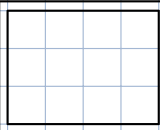

Chosen Features: OPTION 2 → buying product / updating stock
OPTION 3 → leaving / displaying reviews
OPTION 4 → "loyal customers" / saving outfits (only if I have time)

Different views: outfit maker → (choose pieces, maybe layer?)
all clothing → (tops, bottoms, etc.)
shoes → (sandals, sneakers, heels, boots, flats)
accessories → (earrings, necklaces, bracelets, rings)

Main view / attraction: outfit maker / you can only buy full outfits
